Thank you for signing up for the *Get In The Game! Challenge*, a friendly volunteer competition from the Healthy Planet Project. HOW DO I GET STARTED?

2. This will prompt you to create an account with [Track It Forward](#), our portal to log your volunteer hours and track your progress towards the milestones.
3. Volunteer for local environmental projects from April to September and log your hours.
4. At the end of each month, Healthy Planet Project will award prizes to volunteers who have hit designated milestones!
